

## Fabian Cortes / Retrospectiva / Biography

Fabian Cortes is a poet and visual artist native to Mexico City and currently residing in Connecticut, USA.

Since high school, in Mexico City, Fabian became interested in activities related to art painting and writing. Fabian graduated as an Electronics Engineer and works as a Technical Consultant while also works in parallel on his art painting and writing.

The aesthetic style of Fabian Cortes is mainly figurative, very close to symbolism, spirituality, imagination and dreams.

His works try to reflect that search by that expression that becomes intensely personal and private when it is complemented with color and metaphor. His preferred painting technique is pastel and acrylic. Fabian has shown his work in galleries in Mexico City and USA.
