Stamford Art Association Presents

Stamford!!!

This is an Invitational Exhibit celebrating the new Ferguson Library Gallery

Stamford, CT

October 5 - December 30, 2010

This show is open to all SAA members and non-members and is a **non-juried show**. All two dimensional mediums are welcome. We are inviting artists to this exhibition at the newly renovated Ferguson Library Gallery located on the 3rd floor in downtown Stamford. Space is limited so we are being asked to select a cross-section of artwork. We have assembled a review committee of SAA members to help with the selection process and hanging the show. Your artwork must have a City of Stamford theme, be framed and wired for hanging, if applicable use Plexiglas® (not glass) and not be larger than 48"x60" framed. If you are interested in being considered for the show, please submit no more than 2 JPG digital images to: Barbarapostcampbell@yahoo.com by **Sunday, July 25**. Please include title, size, medium and your contact information: name, email, phone, address.

You will be notified by email in August if your work will be included in the show. There will be a \$35.00 charge per piece that will be collected at receiving. Only one piece per artist will be accepted into the show. Information will be supplied with acceptance notification as to Library drop off location and dates, and opening reception.

All artwork must be for sale. A commission of 25% on all work sold will go to support SAA.

This is a great chance to expose your work to the many visitors who will come to the Library and this wonderful new gallery.
